TECHNOLOGY TRANSFER PATHWAY

CRITICAL STEP 1
Invention Disclosure
Inventor discloses discovery to Technology Transfer Services.

YES
NO

CRITICAL STEP 2
Invention Evaluation
Does evaluation point toward commercialization?

YES
NO

CRITICAL STEP 3
Invention Evaluation
Is the invention ready for financing and funding support?

YES
NO

CRITICAL STEP 4
Invention Disclosure
Is the invention ready for commercialization?

YES
NO

Recommended actions:
- Continue refining and improving invention or stop technology commercialization efforts.
- Return to Discovery/Invention phase to continue refining research.
